Student Awards
Due to the Queens Birthday Holiday and the curriculum day next Monday, there will be three sets of awards to be given out at assembly on Monday 23\textsuperscript{rd} June. Mrs. Martin will be very busy with the camera on this day so keep an eye on this space for three weeks of awards, including those for 100 nights of reading.

Reports – Sentral Login
On Friday 13\textsuperscript{th} June you will receive an email, which will contain instructions on how to log into the Sentral Parent Portal. This is a simple process that will involve you entering your email address and a password of four characters or more. Once you have done this you will be asked to enter the ‘family key’, which is provided in the email. Simply copy and paste this across and you will see your child(ren)’s picture on the screen. Click on the picture and you will be able to access their portal. At the moment this contains newsletters, live attendance data, Naplan data for those who sat Naplan in 2013 and Continuum Data. The continuum contains the teacher judgment as to where students have been assessed against AusVels, along with the level descriptors. You will see many headings, which you are able to explore freely as you cannot change any data stored in these areas. Students will begin to log from this week forward and the saved work samples will start to be visible to you, as will many additional pieces of information including their learning goals.

On Friday 20\textsuperscript{th} June the student’s reports will be published to this portal. However, as I have delayed the availability of the portal to parents to ensure that it works as it should do, we will also issue hard copies of the reports on this occasion. After this there will be no hard copies of reports or newsletters issued, as they can be viewed, downloaded, printed, emailed etc. from the portal.

Once you have logged in use the ‘Dashboard’ menu to navigate around the portal.

Reports will be in the ‘Reporting’ section on Friday 20\textsuperscript{th} June.
Under “School Records’ you will see continuum tracking. When you click on this you will see a shaded matrix like the one below. Click on the headings to the side of each row and it will take you into descriptions of what has been achieved. The achieved statements are highlighted green.

By clicking on ‘Attendance’ you will be able to view the attendance overview for your child,

The portal is accessible from any device that can access the internet. There will be laptops and iPads available in school on Monday 16th June, from 2.30 – 4.00pm, If you require any help registering and logging in.

**Lyn Weller**

It was good to see Lyn on Friday when she briefly visited school. She is recovering slowly but surely, and has been persuaded that it is still probably a little too soon for her to return to school as we want her fully recovered and healthy. Hopefully she will be back with us next week. Keep those feet up and rest!!
School Council
School Council meet tonight at 7.30 and will discuss their standing orders, which includes specific details of how and when School Council meet, roles and responsibilities, code of conduct etc. Also, the Victoria as a Learning Community Statement of Values will be viewed prior to its sharing with the school community next week. There will also be a ‘live’ sneak peak of the Sentral Portal and how the reports will look.

Grade 6 Restaurants
The first of three restaurants being run by the Grade Sixes was held on Friday 6th for all of the Prep/1 grades.
The Younger students enjoyed table service, a wonderful meal and entertainment. The menu consisted of a shared veggie man for entrée, puffy dogs on the lawn for main and an ice-cream turtle for dessert.
The entertainment was a short act called “Clown Skool” written and performed by the actors themselves.
The Restaurant was a great success and enjoyed by both the customers and staff. This week’s Restaurant is on Friday 13th for the Grade 4/5 students.
