Student Awards

Remember there are three weeks of awards to be given at assembly on Monday so keep an eye on this space for the winners of these, including those for 100 nights of reading.

Reports – Sentral Login

There was an issue with the email system that prevented the Sentral login information being delivered on time. Today a hard copy of the letter will come home with your family access key and the addresses that you need to enter into your browser to register.

This is a simple process that will involve you entering your email address and a password of four characters or more. Once you have done this you will be asked to enter the ‘family key’, which is provided in the email. Simply copy and paste this across and you will see your child(ren)s picture on the screen. Click on the picture and you will be able to access their portal.

At the moment this contains newsletters, live attendance data, Naplan data for those who sat Naplan in 2013 and Continuum Data. The continuum contains the teacher judgment as to where students have been assessed against AusVels, along with the level descriptors. You will see many headings, which you are able to explore freely as you cannot change any data stored in these areas. Students will begin to log from this week forward and the saved work samples will start to be visible to you, as will many additional pieces of information including their learning goals.

On Friday 20th June the student’s reports will be published to this portal. However, as I have delayed the availability of the portal to parents to ensure that it works as it should do, we will also issue hard copies of the reports on this occasion. After this there will be no hard copies of reports or newsletters issued, as they can be viewed, downloaded, printed, emailed etc. from the portal.

Once you have logged in use the ‘Dashboard’ menu to navigate around the portal.

Reports will be in the ‘Reporting’ section on Friday 20th June.
By clicking on ‘Attendance’ you will be able to view the attendance overview for your child,

The portal is accessible from any device that can access the internet. There will be laptops and iPads available in school on Monday 16th June, from 2.30 – 4.00pm. If you require any help registering and logging in,

**School Council**

School Council met last week and adopted standing orders which set out specific roles and responsibilities and the way in which they operate. The Statement of Values was also shared which was developed as part of the Victoria as a Learning Community framework. It is attached to the email that sends out this email and sets out all of our responsibilities in ensuring our learning community is safe and respectful for all.
Parent Teacher Interviews
Attached to this newsletter is a request for Parent Teacher Interviews for Monday 23rd June. Please fill in your preference and return to the school as soon as possible. You will receive confirmation of your interview times this Friday. Hope to see you all there.

From the Chaplain
In the ‘Taste of Good Food’ cooking program next week on Monday 23rd June the students who will be preparing a Japanese lunch will be; Jasmine, Logan, Kobe, Thomas, Tessa, Riley, Eilidh and Maddy. Parents of these students may only wish to send a snack for morning tea that day so please take note. I have already had one offer of help but I am in need of at least one other helper for this session (11:30am – 2:00pm). If parents or grandparents of any of these students would like to assist with cooking please send a message via the office or email to advise me kingwillbj@hotmail.com.

Grade 6 Restaurants
The second restaurant being run by the Grade Sixes was held on Friday 13th for the 4/5 grade. Again the students enjoyed table service, a wonderful meal and entertainment. The menu consisted of cheese and bacon pinwheels for entrée, lasagne and salad for main and rocky road for dessert. The entertainment was a short act called “Buln’s Got No Talent” written and performed by the actors themselves. Once again the Restaurant was a great success and enjoyed by both the customers and staff.

This week’s Restaurant is on Friday 20th for the Grade 2/3 students.

Buln Buln School Football and Netball
The Buln Buln Football and Netball teams played against the Rural District small schools combined teams last Wednesday 11th June. The footy team had a quiet start and didn’t score in the first half but came home strongly to outscore their opponents in the second half. They played well together and all of the players tried hard and enjoyed the game.

The scores were:
