Dear Parents

Football & Netball Competition
How awesome were our football and netball teams last Wednesday!!!

Students displayed our school values throughout the afternoon:

- **Independent** – students were able to make decisions for themselves on the court/field, always considering their teammates.
- **Confident** – some students ‘oozed’ confidence, whilst others became more confident as the game progressed. The crowd was always confident of a win!
- **Adaptable** – students easily slotted into different positions during the game – some even playing for the opposition!
- **Respectful** – students were respectful of their teammates, sharing the ball with each other and cheering each other on. They also showed respect to the opposition as they played.
- **Excellent** – all students tried their best and we are proud of how well they played as a team.

Thank you to all of the students, staff and parents who came and supported our teams. Our football and netball teams now get to play in the next round of the competition. The games are this Thursday morning. We wish them all the best – good luck!

School Disco
We hope you are looking forward to our School Disco – grab your PJs and come down for a dance and a catch up. The disco starts at 3:45pm. Students will have time to get changed and then be walked over to the Buln Buln Sporting Club Rooms. Gold coin donation. The disco finishes at 5:30pm, you will need to come inside to collect your child.

Golf
Last week our grade 5/6 students had their first golf session with a professional golfer. This was organized by Mrs Martyn through our Sporting Schools Fund. Students, and staff, had a fantastic time practicing their golf swings – and yes there are now a few divots between the oval and the school buildings!

Japanese cuisine was on the menu yesterday. Before the cooking session I visited the 5/6 classroom and spoke to the students about the Japanese Tea Ceremony. This traditional ceremony involves aspects of mindfulness practices and incorporates these into an intricate ritual. I prepared a taste sample of green matcha tea for the students and explained that it was an excellent example of umami or savoury taste.

After this senior students prepared a three course menu which included White Miso soup, Sushi and Goyza (Japanese dumplings) followed by Green tea custard and fruit. Mrs. Hill and Mrs. Renshaw joined the students for lunch. There was much chatter around the table as students talked about their favourite dishes. A big ありがとうございます (arigatō) to my two helpers, Kim Storey and Lhyne Stuckey. With their help the students enjoyed the session and the delicious meal they had cooked.

Here are the Japanese chefs enjoying their lunch.

There is no cooking next Monday due to the long weekend. The final session of cooking for this term is on Monday 20th June and the group of students who will be preparing an American menu includes; Stella, Jake, Sebastian. Annalisa, Monique, Jaran and Kate. Parents of these students may only wish to send a snack for morning tea that day so please take note. I am also in need of parent helpers for this session (11:30am – 2:00pm). If parents or grandparents of any of these students would like to assist with cooking please send a message via the office or email to advise me kingwillbj@hotmail.com.

We are currently holding a fundraiser through Bakers Delight in the Coles Arcade. When purchasing products from this store please ask that the sales total be placed on the Buln Buln Primary School’s Dough Raiser. What a great way to support our school by purchasing goods that we need in everyday life. Many thanks.
