Dear Parents

School Disco
A HUGE thank you to our amazing Parent Club for organizing and running such a successful disco. It was fantastic to see so many happy students thoroughly enjoying themselves as they danced/talked/ate. The music was great – thanks Kristy! The disco was a positive experience for everyone and the PJ theme was a hit! Well done team 😊

Reports
Sentral is a continuous reporting system so hopefully everyone has been regularly logging on and looking at your child’s uploaded work samples. These provide opportunities for you to celebrate your child’s learning and receive feedback on how they are progressing on a more regular basis than just mid and end of year reports. The mid-year reports you will be able to access on Sentral from today give an overall snapshot on the AusVELS levels your child is currently working at. For students in grades one and above there will be two dots. These dots indicate the growth your child has achieved in the last 12 months.

The Attitudes to Learning Report, which is provided each term, is an indication of the learning behaviours your child displays. At other schools, this is usually written into report comments at mid and end of year. By completing this report each term, we are all able to gain an understanding of your child’s attitude towards their learning. Your child is also then able to develop a goal to improve an area they wish to focus on.

If you have any difficulties accessing your child’s report, please contact us.

Holidays
We are now at the end of term 2. It has been a great term with many highlights and it is lovely to see students moving forward in their learning. Thank you for your support during the term – the Buln Buln School Community is an extremely positive community and we all enjoy celebrating our students’ successes together.

We hope you have a safe, relaxing and enjoyable holiday!

Up Sized Show and Tell
Matilda Kay had the biggest show and tell item we have seen for a while. The children were lucky enough to experience sitting in a new Massey Ferguson tractor.
Award winners:

Congratulations to this week’s ICARE awards: Zach, Amelia, Samuel, Lachlan, Edi, Kieran and Brooke.

100 Nights of Reading:

Ryan, Tyler, Quinten, Harrison, Amy, Max, Charley, Alex, Amon and Jeremy.

Sporting Schools

Last Friday the Prep, Ones and Twos participated in an Auskick clinic. This clinic is funded by the Sporting Schools Fund. They learnt handballing skills, how to mark and kick. In Term 3 students in Gr. P/1/2 will participate in a netball program. The Gr. 5/6 students will continue with golf and Gr. 3/4/5/6 will participate in a football skills program.

If there are any children interested in doing Auskick a new program starts on July 17th at Darnum. Registration is open online at the Auskick site.

GARDEN STALL

The Yr 5-6 students in the gardening group would like to advertise the Lemonade Stand at lunchtime next Thursday 23rd and Fresh Produce Stall from 3pm on the same day. PLEASE BRING GOLD COINS to raise money for the mini orchard they have been planning.
PARENT CLUB

End of Term Luncheon
Please note that there is no fruit platter at snack on Friday and the meals will be served with a hot chocolate not cordial. There will be no hot chocolates at morning tea so children will need to bring their own snack. Thank you.

4WD/ Winch Challenge - Willow Grove Saturday 16th & Sunday 17th July
(The property is on Old Sale Road, about 20 minutes drive from school)

Buln Primary School has been given the opportunity to cater for this 4WD event, which could turn out to be very profitable for our school if we can get enough helpers. We require people for Saturday 16th and Sunday 17th July. They are expecting around 300 spectators on Saturday and 600 on Sunday. Perhaps this could be one for all those dads and their mates to come along and help out on the BBQ. I know we all have children playing sport on the weekends, but we really need your help.

As access in and out of where we will be setting up could be difficult, we need people to arrive at 9am till 2-3pm and a 4WD will bring you to where we are. If we have enough helpers I will organise a roster so you will be able to take it in turns to watch the cars during the day.

We are also asking if people could provide slices, muffins etc to be sold with coffee/tea. We need the slice to be consistent in size so each piece would need to be 6 x 6 roughly.

As the kids don’t return to school from holidays till Monday 11th July, I really need to have things organised by Friday 24th June, so if you are able to help out on the day(s) or make slices etc, could you please call me, Jan Doberer on 0447 360 810 or let Lyn in the office know what you can do.

We really, really need everyone’s help with this one, so please try to make it on one of the days. I’ll look forward to hearing from lots of you so I can put together a roster.

Thanks. Jan Doberer 0447 360 810.
