Secondary School Transition

Most of you with children in Grade 6 will have already visited and chosen the school that your child will attend next year. I will include any flyers that are received from Secondary Schools for accelerated programs and scholarships within our newsletter. If you would like an application form for this program, one can be picked up from Mr C.

Specialist Religious Instruction

Last term the forms were sent home with reports for opting in to Specialist Religious Instruction. Students can only participate in these lessons if the signed form is returned. I have extended the deadline to this Friday for the forms to be returned.

Premier’s Reading Challenge
A reminder that the Premier’s Reading Challenge ends on the 12th of September. Many of the Grade Prep-2s have almost finished reading their 30 books together as a class! Students from Grades 3-6 still have 2 months to finish reading their 15 books. A big thank you goes to all of the parents and families for their support and encouragement of reading at home. Great reading, keep up the good work!

FROM THE CHAPLAIN
Nǐ hǎo. (Hello) from the kitchen. In ‘A Taste of Good Food’ cooking program yesterday the senior students prepared a Chinese menu including Chicken & sweet corn soup, Combination fried rice and Chicken & lemongrass dumplings followed by a dessert of Lychee and Coconut Sago served with a Fortune cookie. This year I experimented with making fortune cookies. While they are quite simple to cook it took quite nibble ‘heat tolerant’ fingers to insert the fortune and shape the hot tulle like biscuit. They looked quite effective and the children liked opening and reading their fortunes.

Mrs. Mahoney joined the students for lunch and chatted to the students about the part they each played in preparing the various dishes. A big Xièxiè. (Thank you) to my two helpers, Liz Giles and Ebony Ankers. With their assistance the students had a yummy meal and a wonderful cooking experience.

The students who will be preparing a Chinese lunch next Monday include; Monique, Jeht, Kieran, Larah, Meg, Samuel, Fletcher and Stacey. Parents of these students may only wish to send a snack for morning tea that day so please take note. I am also in need of one more parent helper for this session (11:30am – 2:00pm). If parents or grandparents of any of these students would like to assist with cooking please send a message via the office or email to advise me kingwillbj@hotmail.com

Active After School Care
This term we will be offering Badminton on Monday’s to the Grade 3-6 children and Taekwondo to the Grade Prep – 2 children. Attached is a form to be completed, we have also sent home a hard copy with the children.

OUTSIDE SCHOOL HOURS CARE
Due to the disco on Wednesday 23rd July, After School Care (A.S.C.) will not be running as normal. If families have any concerns regarding this arrangement, please speak to me as soon as possible. Places are still limited, especially on a Thursday night, so if notification of cancellations can be communicated to the Office or via myself (text message, in person) as early as possible, this will assist greatly. Families who have a permanent booking are booked in for these times until you inform us of a change in circumstances and have preference over casual bookings. We need to be informed as early as possible if this place is not needed as this frees up the place for other families who may need casual care. The usual charge will still apply if cancellations are not forthcoming. Bookings can also be organised through the Office or via myself for both before and after school care. Families using text messaging to inform of changes will always receive a message back to confirm I have received these changes. I hope this clears up a little bit of confusion that was coming through and if not please speak to Helen or myself. I am available from 8.45am till 9.00am or both Helen or myself from 3pm till 3.15pm if families have any concerns or just want to check how their child/children are going. We still try and have outside time to encourage physical activity so jumpers, coats, scarves, hats, gloves are a good idea for this time of year. Sustainability and the environment around us was the theme for last week. The children voluntarily moved the mulch into our new garden beds in the front of the Heritage building. They learnt about why we need to mulch and could not believe how hot it was when they had moved a few barrow loads off the top. They spent some time diving their hands in the mulch to test the heat of it. Well done to the children who participated in this activity. Our environment looks a lot neater after this activity.
