Dear Parents

School Trivia Night
What a fantastic night! Our Parent Club should be immensely proud of its success. We loved seeing all of the parents who arrived dressed in their Op-Shop Chic clothes. Congratulations to Andrew Box for winning the best dressed prize – a lovely hamper from Priceline. Everyone appeared to enjoy themselves and it definitely a competitive atmosphere. Congrats to TCO for their win! We hope you enjoy your Buln Buln Sporting Club Meal Vouchers.

We raised over $2000. This only occurred because of the amazing donations from our sponsors. Please read the information about our Trivia Night below which includes the names of our sponsors. Please support these businesses to show our appreciation.

Interviews
As you are aware, all interviews need to be booked via Sentral. If you are having difficulties with this process, please come and see us ASAP. We have extended the date to book your interview to this Friday.

Grade 5/6
On Thursday 4\textsuperscript{th} of August, the grade 5/6s had a very special guest named Damien. Damien is an ex-service man who served in the Australian Army and went to Afghanistan twice. He came in to talk to us about our Australian flag. He told us the proper way to fold our flag and it was difficult for some of us. We also learnt about the meaning of the flag with the 7 stars representing the 6 states and other territories, with the Union Jack representing our British history. Some very important things he taught us were to never let the flag touch the ground because it shows disrespect to our country and it also keeps the flag in a good condition.

We would like to thank Damien for this great demonstration.

**PARENT CLUB**
The Parent Club Trivia night was a great success on Friday night, with the event serving the dual purpose of fundraising for the new rebound wall, and enhancing wellbeing with a community social event. Feedback from all who attended has been overwhelmingly positive, with all attendees commenting on how much fun the night was.

The very glamorous Bronnie McDougal and Heidi Pearce ran the spin the wheel competition in between trivia rounds. Some amazing prizes were taken home on the night .... Nat Kay seemed particularly chuffed to have won the BBQ donated by Vic Solar!

There was an optional Op shop Glamour dress up theme, and it was quite hilarious to see the outcome of participants jumble store rummages. Andrew Box was awarded best outfit on the night, and is no doubt enjoying silky smooth heels, sharply groomed hair and cushiony soft skin as a result of his Priceline hamper prize! Special mentions must also go to Cass Bailey, Nat Kay and Janine Sharman for their stylish ensembles.

For those who were able to stick around after the Trivia, John Butterworth and his band provided some great tunes for our enjoyment, and parent club would like to thank him for donating his talented time and playing so late into the evening.

The TCO's table won the trivia quiz on the night. Mrs Connelly, Mrs Mahoney, Mr C, Mrs Lowrie, Ms Johnstone and their friends will enjoy their prizewinning meal at the Buln Football Club Rooms (Special thanks to the Buln Buln Sporting Club for donating the meals for the prize, and for all their assistance on the night). Mrs Weller’s “Lyn’s Losers” team turned out to be not such losers after all, taking out second place, while “The Bubble Guppies”, including Mrs Martyn, Mrs Fowler, Mrs Smith achieved third place. Whilst it’s a bit of a disappointment for the parents not to have pipped the teachers in the trivia, at least we can all take comfort in the thought that such brainy folk are taking care of our childrens’ education.

Mrs Ball celebrated World Principals day by being MC for the night. Parent club is so grateful for her participation and involvement. She has put a great deal of her personal time into facilitating the event (also organising slideshows of the questions and sponsor logos), and we certainly feel very lucky to have received her assistance.

Mrs Weller must also be thanked, for her unlimited helpfulness and tireless attention to detail. She does such an incredible job of making everyone else’s life easier.

However, it wasn’t just for fun. Thanks to support from the community and generous sponsorship and donations from local businesses, $2261 was raised which, with additional funds from other Parent Club
Fundraising activities, will be put towards construction of a new rebound wall for the school. Special thanks must go to Matt Savage and Michael White who are heading up the building and grounds subcommittee which has undertaken the planning and implementation of this project. By donating their labour and expertise (and roping in their tradie mates!), they have managed to keep costs down to make the project achievable. It is hoped that works on the wall will be undertaken in the September holidays.

We must also thank our terrific sponsors for the night, Gippsland Cosmetic Laser Clinic, Revive Health and Fitness Studio, Warragul Osteopathic Clinic, Quickbiz Bookkeeping and Grand Ridge Financial.

Finally, please find below a list of local businesses who contributed prizes toward the Trivia night in support of our school. Take the time to read it through, and, if the opportunity comes up, please support these businesses in thanks for their support of our community.

FROM THE CHAPLAIN

Before the cooking session yesterday I visited the Grade 3/4 class room. The class and I watched a Youtube clip and chatted about the production of olive oil. The students were then able to sample Spanish olives. For quite a few students this was their first taste and for some it was a taste yet to be acquired. Other students were already great olive fans and they gratefully accepted a second taste test!

It was the last week of senior cooking and the final cuisine to be prepared and sampled was Spanish food. On the menu yesterday were Empanadas de Espinaca (Spinach & Cheese Empanadas), Chorizo & Chicken Pilaf served with a side dish of Broad beans with tomato and mint followed by Crema Catalana with Oranges in spiced tea syrup. Here is a snapshot of the student’s handiwork.

Mrs. Johnston and Mrs. Mitchard were the special guests at the lunch and students were able to chat to them about preparing the meal. Gracias (thank you) to my parent helper Karen Pierrehumbert. With her assistance the students were able to have a great cooking experience and a delicious meal.

We made our own pastry for the empanada from a recipe I discovered on the internet. We also made a gluten free version of this recipe for Mrs. Johnston. If you are interested it can be viewed at
Next Monday 10th August junior cooking sessions commence and the students who will be preparing a snack to eat for lunch or take home include; Saige, Archie, Skye, Darcy, Evie, Charlie, Montana and Jack. I am in need of two helpers for this session which runs from 11:30 until 1:30. If parents or grandparents of these students would like to assist please send a message via the office or an email to kingwillbj@hotmail.com
