Dear Parents

School Concert Update
After much deliberation, and a discussion at School Council, this year’s School Concert tickets will be $15 per ticket with a limit of 4. This year to buy tickets an expression of interest will be sent to all families. You will need to indicate how many seats you would like to purchase. Any family wishing to buy more than 4 tickets will be placed on a waiting list. Once sales have closed, any leftover tickets will be distributed.

Lunchtime ICARE Clubs Program
This week our Junior School Council is running Theatre Sports at lunchtimes. It looks like great fun!

Last week our students participated in Green Team activities. Students did a fantastic job cleaning up areas of our school – thanks Mrs Fowler and JSC for your organization and enthusiasm 😊

Dairy Assistance Funding 2016 – IMPORTANT INFORMATION
In 2016 the Victorian Government implemented a response package to assist dairy farming families. This included assistance for primary and secondary students attending schools (government and non-government schools) where one or both parents:

- own an operating dairy farm
- are share farmers on a property primarily operating as a dairy farm
- hold a lease for an operating dairy farm
- work as an employee on an operating dairy farm and this is their main source of employment.

The CSEF eligibility criterion is being extended consistent with the 2016 drought response. Families that have previously qualified for the 2016 CSEF Drought assistance are not able to also access the CSEF Dairy assistance funding.

The Dairy Assistance CSEF payment will be paid to the school that the student is currently enrolled at the start of Term 3 2016.

Parents can apply for the dairy assistance funding by completing an application form and lodging it with their child’s schools by 18 November 2016. The school will allocate the payment directly to benefit the eligible student.

On the weekend of August 6-7 the State Interschool Dressage and Show Jumping Grand Final was held at Werribee Park. The following students represented Buln - Jasmine - Dressage - 10th overall, Kaylee– Show Jumping - 3rd overall, Elissa– Show Jumping, and Mackenzie– Show Jumping.

Regardless of placings, all students did a super job - not only did they need to gain qualifications to ride at the Grand Final, but were against other students statewide.

Well done girls!

**FROM THE CHAPLAIN**

It has been great to see the children excitedly watching the major events of the Olympics and chatting about the persistence and determination that lies behind the thrilling wins. Having a go and doing your best are messages that are helpful in all areas of learning and life. Even in the kitchen when students take on new challenges. Having a go at new tastes and new tasks.

The Junior Taste of Good Food program commenced this week and the eight P-2 students made Little Hummingbird cakes and Mini Meat Balls. Here they are enjoying their treats.
Thanks to my parent helper Sharyn Marriott-Bourke the children enjoyed their time in the kitchen and they produced some great tasting results. It is always good to have one or better still two helpers. This ensures that adult eyes and hands can ensure a safe working and can teach helpful kitchen skills. With two helpers students have greater individual hands on time as well as group cooking time.

Next **Monday 22nd August from 11:30 until 1:30** the students who will be preparing a snack to eat for lunch or to take home include; **Harrison, Xavier, Ollie, Hunter, Amelia, Bethany, Lily and Brielle**. If parents or grandparents of these students are available and would like to assist please send a message via the office or an email to kingwillbj@hotmail.com this ensures that I have adequate helpers for this session.
