**Math’s Problem**

Last week we asked if you could you work out what is the minimum number of Kings that are needed, and how to place them on a chess board, so that they attack / dominate all squares?

Congratulations to Amelia with the first correct answer, winning the cinema pass for two. The solution can be seen in this picture.

**Sun Smart**

A reminder that the time has now arrived for us to be wearing broad brimmed hats. Students who have not had their hats in the last week have been asked to play in the shaded areas. The link below will allow you to install the free SunSmart app on a smart phone or tablet.

The UV alert now can also be viewed on the school website homepage.

**Cultural Day**

On Friday the Prep / One’s and Grade 6 students celebrated diversity by dressing in costumes of different cultures and sampling foods from those countries. The costumes were fantastic, ranging all across the world. The food that was prepared was absolutely delicious, and a high point of the day for most people. Thank you for the effort that was put in at home to make the day such a success.
Last Week of Term

As usual, time has flown and we are in the last week of term 3. School finishes at 2.30, after end of term lunches. Thanks to Parent Club for the effort they have put in to organizing this.

If you are travelling over the school break, or just having time at home, stay safe and have an enjoyable holiday.

FROM THE CHAPLAIN

In the junior cooking session this week students prepared Homemade Chicken Nuggets and Apricot Bubble Biscuits. Thanks to my parent helper Kylie Sell the children enjoyed the snacks and their cooking experience.

Next term the Junior students who will be cooking a snack on Monday 6th October in the session from 11:30 until 1:30 include; Archie, Artie, Emma, Cheyenne, Matthew, Natasha and Mackenzie. Parents of these students may wish to only pack a snack for playtime as the students will be making Corn & Bacon Pizza and Coconut Rough slice and these snacks will be ready for them to eat at 1:30.

Also I am in need of one or two adult helpers for this session. If parents of these students would like to assist could you please send an email to kingwillbj@hotmail.com or a message via the office.
