Dear Parents

School Concert
Tonight’s the night. We are so excited! We cannot wait to share our musical talents with you. We have been rehearsing daily and our song and dances are looking great. Our instrumental pieces are magic and we are looking forward to sharing our creations with you.

Our School concert starts at 7 o’clock. Doors will open at 6:45 PM. As you arrive your child or children will be taken back stage whilst you enter the auditorium to take your seats. Please have your child dressed in their costume ready to perform.

At the end of our concert all children will be collected from the side door to the stage located in the foyer as you enter the Arts Centre. Please ensure that a staff member knows that you are taking your child. Children are not allowed to be collected from the front of the stage. Please support us in this process by coming and waiting near the side door - thank you.

See you at the Arts Centre tonight 😊

Sunsmart
Yes – it is time to wear hats again. From tomorrow everyone is expected to be wearing their hat outside.

Our School Policy states that we will:
• Use a combination of sun protection measures for all outdoor activities from September to the end of April and whenever UV levels reach 3 and above.
• Require students to wear the school’s broad brimmed hats, which protect the face, neck and ears whenever they are outside and whenever UV levels reach 3 and above. (e.g. recess, lunch, sport, excursions, etc.)
• Encourage students to provide and use their own SPF 30+ broad spectrum, water resistant sunscreen.
• Encourage students to use available areas of shade for outdoor activities.
• Encourage staff and parents to act as role models by practicing Sunsmart behaviours.
• Require students to wear sleeved shirts / tops to protect the shoulders.
• Request that students who do not have appropriate hats or outdoor clothing play in the designated shade areas.

Hats are able to be stored at school.

 Fathers’ Day Celebrations
Last Thursday night we held a special persons’ night to celebrate Fathers’ Day. Our Prep - 2 students brought a special person along to participate in a variety of fun activities. This included games outside, a letter hunt, activities inside and a sausage sizzle. It was a fun night and it was great to see so many family members enjoying themselves on the night. Please check out the photos and report in the newsletter. Also, a huge thank you to our Parent Club for organising this year’s Fathers’ Day Stall – students were rapt to be able to buy something special for one of their favourites.
**Instrumental Piano Lessons**
A number of our students participate in piano lessons with Jenny Treble on a Thursday. On the last Thursday of this term the students are holding a special concert. The students work really hard during the sessions and it has been fantastic to see their improvement throughout this year. Everyone is welcome to attend and we encourage you to come along to enjoy the music. Please look at the ad in this newsletter for more information.

FROM THE CHAPLAIN
In the junior cooking session this week students prepared Nachos with Guacamole and Lemon & Coconut Brownies. Thanks to my parent helpers Dana Smith, Kate Hutchison and Vanessa Thexton the children had a great cooking experience and produced some yummy snacks.

Next Monday 12th September the students who will be preparing a snack to eat for lunch or to take home include; Caitlin, Declan, Edith, Samuel, Travis, Artie, Stella and Elliot. I am in need of two helpers for this session which runs from 11:30 until 1:30. If parents or grandparents of these students would like to assist please send a message via the office or an email to kingwillbj@hotmail.com

Just a little reminder - Parents please note that a Working with Children Check is necessary for parents to help in any school programs. If you are hoping to cook with your child and are yet to obtain a Working with Children Check could you please see Lyn Weller in the office for advice on the application process.
