Dear Parents

BBPS Code of Conduct
You may have heard about the new Childsafe Standards that are being implemented across all school sectors. During term 3 staff worked on documentation relating to these standards. The documents were ratified by School Council and are stored in our School Policy Folders which are available for you to read if you would like. They will also be placed on our website.

An important document that was developed is our School Code of Conduct. Our Code of Conduct establishes clear expectations for appropriate behaviour with children. It aims to help us enforce appropriate behaviour with children to help protect children from abuse. The Code of Conduct outlines:

- Student rights and responsibilities;
- Staff standards in their behaviour with students;
- Acceptable and unacceptable behaviours for staff, parents, volunteers, contractors and any other member of our school community involved in child-related work;
- BBPS Behaviour Matrix.

We have included our Behaviour Matrix in our Code of Conduct as this is what we expect our ICARE values to look like across our school for all members of our community. Please read the Code of Conduct attached to this newsletter.

Regional Athletic Sports
Good luck to Keely and Indiana who are competing in the Regional Athletic Sports at Newborough today. It is a fantastic effort to get through to this level of competition and we wish you all the best 😊

Rebound Wall
Our Rebound Wall is coming along well. Last Friday the concrete was poured – thankfully before the rain set in! Thanks Keith for volunteering your time 😊

Extra Play
Students at Buln Buln Primary School work extremely hard and we are really proud of the way they display our ICARE values of Independence, Confidence, Adaptability, Respect and Excellence. To reward this we are going to be having a ‘special play’ on Friday. Students who make the right choices with their learning and
behaviour will enjoy extra time playing outside. Staff are looking forward to playing games and having fun with students during this time.

**Transition**

It is an exciting day for us! We get to meet our 2017 Foundation students as they commence their 6-week transition to school program. Today students will be doing fun activities as they arrive, before listening to a story and acting it out. Our next transition session is next Tuesday, October 18th.

**FROM THE CHAPLAIN**  
In the junior cooking session this week students prepared Homemade Chicken Nuggets and Apricot Bubble Biscuits. Thanks to my parent helper Lara Dixon and Mrs Jane Smith the children enjoyed the snacks and their cooking experience.

**TERM 3 IN THE ART ROOM!!**  
The children continued to develop their artistic skills.  
All grade levels continued to work on and improve their listening skills, organising their time wisely, cleaning up, naming work and exhibiting their work.  
They explored and experimented with visual conventions such as line, shape, contrast, colour and texture.  
Grades 3 to 6 discussed and compared the artist Ken Done, Albert Namatjira, Paul Cezanne and Vincent Van Gogh.  
All grades have learned more about Pop Art and Andy Warhol's work as well as Pablo Picasso's work.  
The children worked consistently to produce a high standard of work. Congratulations to you all.  
Looking forward to an exciting Term 4.

Gerardine Johnston, Art Teacher.
