Dear Parents

Transition
It was lovely to meet our 2017 Foundation students and their parents last week. Students appeared to have an enjoyable time playing together before sitting quietly and sharing toys that they had brought. The students continued to sit beautifully as they listened to a story. This afternoon students are participating in a music session.

Staffing
The wonderful Mrs Nelson is taking leave until the last week of this term – though she is coming in this afternoon to weave her magic with our 2017 Foundation students! We are lucky to have Mrs Hill filling in – she is definitely a lady with many hidden talents 😊

Parking
We all got a huge surprise last night when we saw the parking inspector arrive at the end of our school day. It is a reminder that we need to park in the ‘allowed’ areas and also enter and exit the top car park appropriately (driving into the carpark using a left hand turn and exiting with a left hand turn). Rosie, our lovely crossing supervisor, spoke to him about our concern for students and parents as they cross the car park near the bus stop. He said he would speak to the ‘right’ people at the Baw Baw Shire. This is great as it reiterates an email sent a few months ago requesting this be looked at. Thanks Rosie!

Regional Athletic Sports
Congratulations to Keely and Indianna for making the Regional Athletic Sports. Keely was awesome – finishing 5th and 6th in her 2 events. Unfortunately for Indianna the time of her event was changed and she missed it (something we will be raising at the next sports meeting!). Both of you did really well to get to the Regional Finals – we are proud of you 😊

Rebound Ball Update
Woohoo! The concrete is poured and it is looking amazing. Unfortunately it is still out of bounds as we need to level out the area around the concrete – currently there is an unsafe drop. We have not fenced the area as we trust our students to stay away – we are luck they are wonderful and patient.

Please note there is an updated lunch order list attached to this newsletter.

FROM THE CHAPLAIN
This week in the junior cooking session students prepared Pea & Haloumi Fritters and Muesli Slice. Thanks to my parent helpers Anita Calabro and Sheryn Cutler, the children enjoyed the snacks and their cooking experience. Here are the happy group of mini masterchefs!

Next week the junior students who will be cooking a snack on Monday 24th October in the session from 11:30 until 1:30 include; Gracie, Lenny, Olivia, Joshua, Paige, Tyler Jeremy and Chelsea. Parents of these students may wish to only pack a snack for playtime as the students will be making Pork & chive dumplings and Cranberry biscuits and these snacks will be ready for them to eat at 1:30.

I am in need of two helpers for this session which runs from 11:30 until 1:30. If parents or grandparents of these students would like to assist please send a message via the office or an email to kingwillbj@hotmail.com.

I also wanted to take this opportunity to mention the meal support roster. There are a number of families in the past who have offered to provide a meal for another family and there may be other families who wish to add their names to this list of people who I can call on when meals are needed.

Meal Support Roster
Meals may be offered to families who are experience an illness, following the birth of a new child or some other event. It is just one way that the school as a whole can
support one another and express care for each other. At times people find it easy to accept a helping hand, sometimes it can be harder, but it is a good opportunity for children to witness and experience the generosity and compassion that it a hallmark of the Buln Buln school community. Sometimes just having one meal a week prepared for you is such a help. I am always mindful of privacy issues and there have been times when it has been appropriate for the recipients to remain anonymous. In this case families who cook are simply given the number of people and any food allergies or dislikes.

I would like to compile a current list of people able to assist as this allows for a fast response to needs. If you are interested in participating the information contained on the included form would be appreciated. This can either be printed and delivered to the school or copied and emailed to me – kingwillbj@hotmail.com. Often circumstances change and so it is helpful if families who have cooked meals for others in the past could also reply to indicate their availability.

Also if you know are aware of a family who would appreciate this kind of support please let me know or leave a message at the office with Lyn Weller.

Disposable food containers are available on request at the office. It is helpful if these are labeled to indicate the contents and date the meal was prepared. These can be delivered to the school and placed in the fridge in the Lyrebird room.
