Dear Parents

School review
Last Wednesday we had our School Review. We discussed our school data and reflected on our last Strategic Plan (2012 – 2015). It was an extremely productive day and we are looking forward to using the recommendations we receive to collaboratively develop our next Strategic Plan and move forward together. From the review process, we receive a School Peer Review Report. This will be shared with School Council at our April Meeting.

Rural Athletic Sports
What a fantastic day! We were proud of our students as they participated to the best of their ability, with positive attitudes and smiles on their faces – even when they fell in the mud! The team events were great fun and it was lovely to see that the hard work at practices could be seen in the efforts of our students. The community spirit of Buln Buln could be felt throughout the day and it was amazing to have so many parents and family members come and support us. Thank you so much to our parents who set up the marquees and organised tarps and water for us – your efforts are very much appreciated 😊

Glen Cromie
This Friday is our Buln Buln School Community Get-together at Glen Cromie. Come along from 4:30pm to catch up and get to know everyone!

Easter Raffle
Do you have tickets in our raffle? There are LOTS of prizes and we cannot wait to see who will be going home on the last day of term with Easter goodies.

PARENT TEACHER INTERVIEWS
Interviws are being held next Tuesday, March 22nd. Please complete the attached form and return it to us by this Thursday – March 17th.

Have a great week
Nicole Ball, Acting Principal

We had a great day at the sports:

Buln Buln Book Fair!
Hi everybody, just letting you know that the book fair is coming to Buln Buln next term! It will be here on May 5th and 6th. More details to follow. See you there!

Wendy Renshaw
What's happening in the Art Room!

The National Art Curriculum F-12 has been revised to include a greater emphasis on Australian art, in particular Aboriginal and Torre Strait Island art. Therefore in Term One we have been focussing on Aboriginal art and the stories they tell.

**Foundation to Grade Two.**

Our learning intention this term was to develop a greater awareness of Aboriginal art. This included skills in drawing various lines, creating patterns and using colour. We also focussed on taking pride in our work, careful cutting and colouring, along with following instructions, cleaning up and working sensibly in the Art room.

We have discussed Aboriginal art was how it tells a story. We've looked at native Australian animals and discussed why they are special. We've listened to Dreamtime stories to link our tasks.

**Grade One and Grade Two**

We built on skills and knowledge of line effect, shading and colouring and creating patterns. One piece the children completed this term was more challenging, which included several steps-

1. Tracing, colouring and shading a background.
2. Choosing an Australian animal template to decorate using line, pattern and colour to contrast their background.
3. Using cutting and pasting skills to complete a wonderful Aboriginal inspired piece.

Please feel free to visit the Art room any time. Come and see what the talented children from Buln Buln Primary school have created this term. We also have displays in the Great Space. Come and admire their wonderful work!

I am very proud of what the children have created this term, their application, confidence and behaviour has been exceptional. Here is a small sample of what the children have completed.

Gerardine Johnston, Art Teacher.

---

**End of Term Lunch – Thursday 24th March**

Order forms were sent home last week. We are having sausages, hamburgers, donut and drink. All orders and money must be returned no later than Friday, March 18th.
